## EDITOR LAYS PLANS TO STAND FOR CONGRESS

RIPLEY, Miss., Aug. 1. (Sp.)—It is understood here and is practically certain that A. C. Anderson, editor of the Southern Sentinel, at this place, will enter the race for congress to succeed Representative Stephens, who will retire. Mr. Anderson has made no public statement and may not for some time yet but his friends say he will be in the race.

Anderson has been editor and publisher of the Southern Sentinel for the past 15 years and has served as president of the Mississippi Press association. He has also served 12 years in the Mississippi legislature, eight years in the house and four years in the senate. In 1912, at the beginning of his second term in the house, he was elected temporary speaker of the house and served during the organization of that body. In 1912 he was elected president pro tem of the state senate, which position he held for his four-year term. In 1912 he was elected a delegate to the Democratic national convention at Baltimore.

## SENATOR WILLIAMS CANCELS JACKSON DATE

JACKSON, Miss., Aug. 1. (Sp.)—Senator John Sharp Williams has cancelled his engagement to deliver an address in Jackson next Monday night on the league of nations and the peace treaty.

A telegram from the senior senator states that owing to the illness of Mrs. Williams he will not be able to make the trip to Mississippi to cast his vote in the primary election next Tuesday. The illness of Mrs. Williams is not of a serious nature, but Mr. Williams does not desire to leave her alone at this time.

I am very sorry to disappoint my friends, and regret that I can not come home to vote and show my colors, but feel under the circumstances that it is the best to remain here," says Senator Williams.

## WAR HERO ALLEGED TO HAVE GIVEN BAD CHECK

JACKSON, Miss., Aug. 1. (Sp.)—Lieut. W. Brien, wearer of the D. S. C., the Croix de Guerre and the Victoria cross, claiming to be one of the 18 survivors of the famous Princess Patricia's regiment of Canadian Highlanders, is wanted by the police of three states on charge of passing bogus checks, obtaining goods under false pretenses, and various other charges.

One of Brien's victims in this city is the Chambers Office Supply company, to whom he gave a check for \$15.00 on the Baldwin County bank of Bay Minette, Ala., in payment for a Corona typewriter and leather case. He also left an unpaid hotel bill.

When Brien came to Jackson he represented himself as a field agent for the Salvation Army home service fund, and had in his possession numerous letters signed by public officials, military men, Salvation Army workers, etc., commending him in most cordial terms.

The investigation being directed from this point shows that prior to coming to Jackson, Lieut. Brien passed several checks at Bay Minette, Ala., that while at that place he exhibited what purported to be a deposit slip from a Baltimore bank showing that he had a balance of over \$5,000 in the institution, which he claimed was a pension awarded him by the Canadian government.

Several detective agencies have joined in the search for Brien and bankers, jewelers and others belonging to protective organizations have sent out descriptions of him.

While here Brien stated that he had become a member of a legal firm at Bay Minette, Missos, Stone, Brien and Stone, and exhibited a professional card to that effect. There is a legal firm named Stone & Stone at Bay Minette, but a letter from the senior member states that they know nothing of Brien save the fact that he visited that place in connection with the Salvation Army home service campaign and dashed several bogus checks.

## POLITICAL INTEREST IS NIL AROUND COLUMBUS

COLUMBUS, Miss., Aug. 1. (Sp.)—Probably never before in the history of Mississippi has so little concern been evinced in a political contest as is being displayed in the Democratic primary which is to be held next Tuesday to nominate state, county and district officers for the ensuing four years.

A little ginger was injected into the campaign during the past week by Ross A. Collins, one of the gubernatorial candidates, who made a statement to the effect that if Lee Russell, one of his opponents, was elected chief executive of the commonwealth he would use his influence to have Theodore G. Bilbo, the present governor, made president of the State Industrial Institute and college in this city. Gov. Bilbo has, however, issued a card denying the statement, and the interest which it incited has been almost completely dissipated.
